"I then walked my way over to the park and when i got close i seen that a guy was at the park and he was hugging the girl and kissing her and the corner of my eye it looked like Jay."

"I then felt my eyes water and i then seen that the girl he was kissing looked my way and then Jay looked too and he had a guilty look on his face"

"I then ran away from him and started to cry my eyes out and i heard him calling my name. But i kept running from him and i then bumped into something. I then fell down on my knees and cried my heart out as the one i love found some one better then me."

"Jay looked at him with anger and rage and was about to punch him in the face when i threw myself in front of J-Hope and got hit instead."

"I then fell to the ground ans was unconscious as i my eyes start to drift away..the last thing i see is J-Hope and Jay fighting as my vision goes black"

"How dare you touch her..Your gonna pay for this.." J-Hope Said.

"How dare me she is my girlfriend and i didn't mean to hit her i was going to hurt you!" Jay said.

"She isn't your responsibility anymore she's mine now..if you come near her it won't end for you!"

"Then as J-Hope lays Lilly down on the ground he goes up to Jay and starts punching him and pushes him down and then Jay walks off before."

"Then the next thing i heard was J-Hope telling Jay to leave her alone."
